Re: Water Right No. G2-28374 for Mats View Water System

Dear Mr. Graham:

In response to your request, you are hereby granted an extension to put the water to full beneficial use for the reasons below:

- Due diligence is shown in development of this project.
- Additional time is needed for full build-out of this municipal system due to local economic conditions and development plans of individual lot owners.

The new deadline to submit your *Proof of Appropriation of Water* is **October 1, 2018**.

We discovered that Permit G2-28374 had not been superseded following the approval of the Johnson exempt well consolidation in May, 2007. Enclosed is Second Superseding Water Right Permit G2-28374.

If you have any questions, please contact Marie Peter at (360) 407-0279 or mpet461@ecy.wa.gov.
